Important Information about the St. Ambrose Summer Stretch Program:

This summer, we want to make Summer Stretch a more impactful, transformative experience for the middle schoolers involved. The goal is to not only create opportunities for middle schoolers to serve, but also to get them to understand why we serve, why it is an important part of Church teaching, and most importantly to help them grow in a relationship with Jesus Christ, with whom an encounter leads us to service. Like Simon's mother-in-law in the Gospel, when we are healed by the mercy and love of Jesus, we cannot help but rising to serve Him, especially through serving our brothers and sisters in Christ. (Luke 4:38-39)

In order to achieve this goal, we will be implementing a catechetical portion into Summer Stretch, focusing specifically on the seven themes of Catholic Social Teaching, utilizing the explanations and layouts provided by the United States Conference of Catholic Bishops. Each of the four Summer Stretch days will have theme based on one or two of the themes. There will be a talk on the theme, small group time to discuss the talk, and the service done that day will correspond to the principle of the day.

This being said, Summer Stretch, because it is part of middle school ministry, is primarily evangelistic in nature, and the first priority is and will always be to get middle schoolers to know Jesus Christ and His Church. This is done through the themes of catechesis and a rhythm of prayer throughout each day.

For Summer Stretch to be a success, **we need parents to volunteer to chaperone and drive** for the various activities. Please indicate below who will be willing to drive in your family, and how many teens you can fit in your vehicle. We will need you from 8am to approx. 1pm.
