

## Living in the Father's Love

### Walking with Purpose:

Living in the Fathers Love is a brief but powerful study meant to revive and refresh us as we discover just how much God loves us, especially during the Lent.

In this study, we learn how the Gospels are deeply relevant to our relationships, both with God and with those we love. In a world where we often are measured by achievements and possessions, wouldn't it be nice to find a place where you could be valued for who you are? That place is here! Welcome!
