

WOMEN'S MINISTRY

DESCRIPTION OF MINISTRY:

The Women's Ministry invites parishioners to nurture their faith among their peers who are in various roles and life stages. Our goals are to enable spiritual growth, foster friendships, and to provide outreach opportunities for all parishioners, and occasionally providing programs and events specific to women.

COMMITMENT:

--Meetings/Activity Commitment:

- Core leadership meets to plan upcoming events/sessions on an "as needed" basis, about 3 - 4 times per year.
- Other parishioners/women participate as they are able and interested in the events. Spiritual Growth and Enrichment sessions are usually 6 - 24 weeks, depending on the session. To benefit from these groups, weekly attendance is helpful.

--Commitment Length: Core leadership roles are for one year. All participants are welcome to come when they can. Some events, like fellowship and retreats, are one time commitments. Bible studies and other sessions vary in length from 6 - 24 weeks.

REQUIREMENTS FOR THIS MINISTRY:

--Training: No training is required for this ministry. There are, however, opportunities if one chooses to personally pursue them outside the parish. Some volunteer activities may require Virtus Training and a background check before participating.

--Skills: Leadership and communication skills are most helpful in the Core Leader roles. Other participants simply need a desire to be part of this ministry.

CONTACT PERSON:
